To Whom It May Concern:

First let me thank you for the opportunity to speak today. Akita Rescue Society of Florida (ARSF) is an animal welfare organization, specializing in the adoption and placement of homeless Akita's. ARSF offers canine education, problem resolution, resources and re-homing of Akita's servicing Florida, Georgia and the surrounding states.

One of our goals is to educate the public and prevent incidents from occurring and as such we participate in the AKC's Canine Ambassador program. Today you have with you a representative of our organization who will be discussing Dog Bite Prevention. This presentation is geared towards elementary aged children and can be tailored to meet the needs of a specific age group or a broad range of ages.

We ask that you let us know in advance if you have a section set aside for attendees that have a fear of dogs. We take great care not to cause additional fear for children who are already apprehensive.

Please feel free to contact either the volunteer(s) who participated today or our Director to discuss opportunities for further Public Education. In addition to Dog Bite Prevention, we offer presentations on Basic Canine Care, Animal Welfare & the Community and other topics.

Akita Rescue Society of Florida is incorporated as a not for profit 501(c) (3) organization in Florida and is a fully donation supported organization.

Sincerely,

Jennifer Fone, ARSF Volunteer
